About School

Our Mission

To nurture inquisitive luminaries, empathetic visionaries, and innovative trailblazers with love, care, and creativity. We empower young minds to flourish into confident, curious, and compassionate global citizens, blossoming into their most resplendent selves

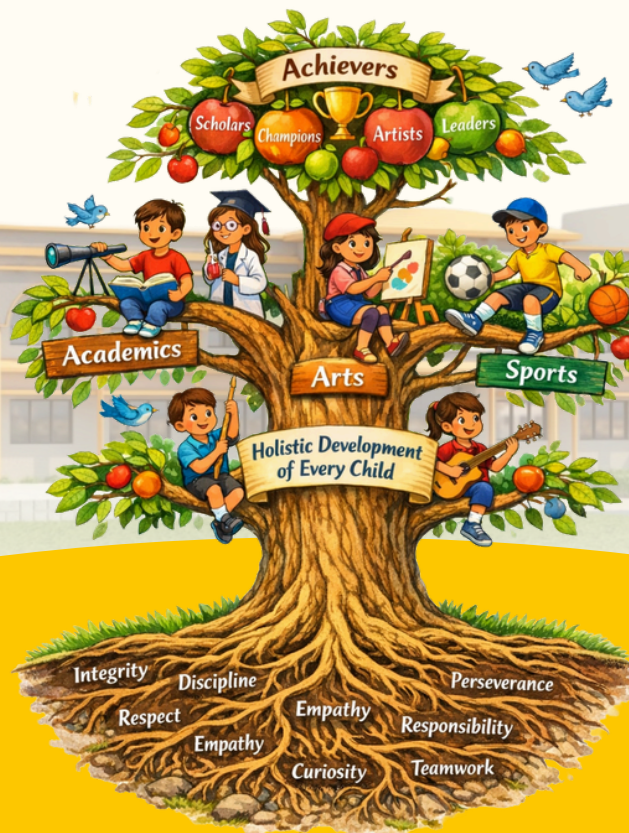

Our Vision

To ignite a fervent passion for lifelong learning, cultivate global consciousness, and sculpt resilient, visionary minds that transmute challenges into catalysts for a luminous, equitable, and sustainable tomorrow.

Values of Kids Garden School

The "Tree of Kids Garden School" Symbolise:

- **Roots:** Strong values, foundation (curiosity, courage, heart)
- **Trunks:** Students growing tall (knowledge, skills)
- **Branches:** Diverse paths (academics, arts, sports)
- **Leaves:** Creativity, ideas blooming
- **Fruits:** Impact (global citizens, leaders)

Words of Visionary

The Spark Behind Us was ignited by Mr S.K. Gautam, a visionary educator and Mathematics topper whose journey began with courage and conviction. Leaving a secure central government position, he chose to pursue a greater purpose – to inspire young minds, ignite curiosity, fuel dreams, and empower meaningful change.

In 2004, he founded Kids Garden School with a bold vision: to transform classrooms into vibrant spaces where creativity thrives, and dreamers are nurtured – not just taught. Today, we proudly stand as one of the city's top-ranked institutions, driven by our unwavering commitment to excellence, innovation, integrity, and heart.

Mr. S.K. Gautam
Chairman

A distinguished education leader with over 16 years of experience, Mrs Rupali Gautam is known for her strategic vision and unwavering commitment to academic excellence. She plays a vital role in strengthening curriculum implementation, enhancing teaching-learning practices, and guiding overall institutional development.

With a strong focus on holistic growth, discipline, and innovation, she fosters a progressive and inclusive environment where students are empowered to achieve their highest potential and grow into responsible global citizens.

Mrs. Rupali Gautam
Director

An accomplished Microbiologist and dedicated educator, Mrs Megha Shrivastava brings over 15 years of rich experience as a PGT Biology. A postgraduate in Microbiology, she is known for her dynamic teaching approach that blends scientific expertise with creativity and compassion.

With a strong belief in nurturing curiosity and critical thinking, she inspires students to explore, question, and discover. As Principal, she leads with vision and integrity, fostering an environment of inclusivity, innovation, and academic excellence—ensuring every child blossoms into a confident and capable individual.

Mrs. Megha Shrivastava
Principal

Our Faculty

At Kids Garden School, our faculty forms the backbone of our academic excellence. A team of highly qualified, experienced, and passionate educators, they are dedicated to nurturing young minds with knowledge, creativity, and care.

Our teachers go beyond textbooks—encouraging curiosity, critical thinking, and holistic development in every student. With continuous training and innovative teaching methodologies, they create a dynamic and engaging learning environment where every child feels valued and inspired to excel. Together, our faculty ensures that education is not just about learning facts, but about building character, confidence, and lifelong skills.

Our team

At Kids Garden School, our facilitators are the heart of the Edu-Alchemy journey, blending academic excellence with HSCP safety standards. Dedicated to Activity-Based Learning, our team nurtures every child's unique potential to ensure they bloom into confident, lifelong learners.

WHAT MAKES US SPECIAL?

OUR EXPERIMENTAL CYCLE

FOUNDATIONAL YEAR:

Foundational years is the stage where we take seeds of early childhood and begin the precise procession Of turning them into saplings of academics and personal excellence.

In the foundational years, our sunlight, water and air act as binding agents that turn curiosity into competence.

MIDDLE YEAR:

The middle year is the bridge to transformation. At KIDS GARDEN SCHOOL, we are our supporting agent help to student navigate. The shift from guided play to independent mastery. Hence, the saplings are processed to become evergreens.

"In the middle year, we don't just teach subject we teach students how to harness their own energy."

SENIOR YEAR:

In the senior years, education at KIDS GARDEN evolve we move beyond the garden into the focus of life. Our senior level means mastery. We don't just cover the syllabus we dissect it.

Our students engage with advanced concepts in STEAM, humanities and the arts with the precision of a scientist, ensuring they are not just test-ready but future ready.

PROFESSIONAL LAUNCHPAD

FOUNDATIONAL “ATELIER” :

- THE LITERACY LOUNGE: A cosy, book-filled “vault” where the magic of reading is unlocked.
- THE NUMBER NEST: A hands -on zone where math is taught through physical objects and puzzles.
- The Nature lab: An outdoor space where biology is learned by touching, planting, and observing.

THE MIDDLE YEAR:

- THE FUSION HUB: Flexible seating areas for intense group brainstorming.
- THE LOGIC LAB: A quiet zone dedicated to mathematics and linguistic puzzles.
- THE GREEN HOUSE: An outdoor extension where biology and environmental science come to life.

THE SENIOR COMMONS:

- THE WAR ROOM: For competitive debate, strategic group and presentations.
- THE TECH FORGE: High-end labs for coding, Robotics and digital design.

Cultivating The Kgs Sprit

The Culture at the kids garden school

At Kids Garden School, the Investiture Ceremony is a proud moment where young leaders are entrusted with responsibilities and encouraged to uphold the values of discipline, integrity, and teamwork. Through the House Election, students experience the spirit of democracy, leadership, and fair participation.

This special event nurtures confidence, responsibility, and a strong sense of belonging among students, inspiring them to lead with dedication and carry forward the proud KGS Spirit. It empowers students to become confident decision-makers and responsible citizens. Together, they learn the true essence of leadership, unity, and service.
